OBJECTIVE

I am currently studying Software Development as a third-year student at Nelson Mandela University. I am deeply passionate about coding and I want to explore more. My Coursework has equipped me with a understanding of Software Development fundamentals, such as coding , designing and testing. I aim to make a positive impact in the Technology industry.

EDUCATION

2022-2024	Diploma in IT(Software Development) Nelson Mandela University
2022	Grade 12 Sinikiwe Senior Secondary School
